

**In each issue:**

- An exclusive report on a critical topic.
- A news event or announcement commented by major executives in the industry.
- Interview with key persons to highlight technical, industrial or economic trends.
- Short articles recapping financial and business news and product releases.
- A presentation of new concepts and project launches.
- A focus on specific applications and details of their implementation.
- An exclusive scorecard on the smartcard industry and its main trends.
